

TOPSOCCER IS RETURNS TO WHATCOM COUNTY!

TOPSoccer is back in Whatcom County! WCYSA's second 6 week season of TOPSoccer will operate on Wednesdays April 21 through May 26, 2010. All training sessions will be conducted at the Sportsplex Ice & Indoor Soccer Arena. The sessions will be broken into two time slots from 5:30-6:30 or 6:30-7:30 PM, depending on the age and number of participants.

This spring children in Whatcom County with physical and/or intellectual disabilities ages 4-19 will have an opportunity to participate this April in a new adaptive soccer program part of the US Youth Soccer Association.

The goal of the TOPSoccer program is to allow children to develop social skills, better motor coordination, improve communication skills, provide an opportunity for exercise, and the enjoyment of the game of soccer.

There is NO COST to participate in TOPSoccer. You can register for TOPSoccer on-line at www.whatcomsoccer.com then select youth then club registration and then go to TOPSoccer and follow the on-line registration process.

For additional information or to register your child for the program please e-mail lance@whatcomsoccer.com or contact Lance Calloway, WCYSA Executive Director, at 676-1919 ext 109.
